## Interior Design

# HDI

From hard finish selections and specifications to linens, and everything in between, we offer a full array of interior design services for new construction or remodel projects.

HollyDennisInteriors.com

## Hospitality & Commercial

Holly Dennis has collaborated or designed numerous high-end hotels, restaurants, commercial spaces, and residences. Holly has been in charge of the interior design, specification, procurement, and project management of dozens of luxury hospitality, high-end residential and commercial projects.

We collaborate with a team of architects, contractors, vendors, and other practitioners depending on scope. Through our hands-on guidance and expertise, we make every effort to achieve a personalized interior design for our clients that reflects their individual lifestyle and needs.

## Residential & Multifamily

Our work ranges in style from traditional elegance, sophisticated transitional, to clean line modern design. We strive for well-planned, sustainable and timeless spaces.

### Artwork & Accessories
